Demosthenes, Speeches 1-17 Jan 19 2023 This is the fourteenth

volume in the Oratory of Classical Greece. This series presents all of the surviving speeches from the late fifth and fourth centuries BC in new translations prepared by classical scholars who are at the forefront of the discipline. These translations are especially designed for the needs and interests of today's undergraduates, Greekless scholars in other disciplines, and the general public. Classical oratory is an invaluable resource for the study of ancient Greek life and culture. The speeches offer evidence on Greek moral views, social and economic conditions, political and social ideology, law and legal procedure, and other aspects of Athenian culture that have recently been attracting particular interest: women and family life, slavery, and religion, to name just a few. This volume contains translations of all the surviving deliberative speeches of Demosthenes (plus two that are almost certainly not his, although they have been passed down as part of his corpus), as well as the text of a letter from Philip of Macedon to the Athenians. All of the speeches were purportedly written to be delivered to the Athenian assembly and are in fact almost the only examples in Attic oratory of the genre of deliberative oratory. In the Olynthiac and Philippic speeches, Demosthenes identifies the Macedonian king Philip as a major threat to Athens and urges direct action against him. The Philippic speeches later inspired the Roman orator Cicero in his own attacks against Mark Antony, and became one of Demosthenes' claims to fame throughout history.

**Have you truly been born again of water and the Spirit?** Jan 27

2021 This title's main subject is "to be born again of Water and the Spirit." It has the originality on the subject. In other words, this book clearly tells us what being born again is and how to be born again of water and the Spirit in strict accordance with the Bible. The water symbolizes the baptism of Jesus at the Jordan and the Bible says that all our sins were passed on to Jesus when He was baptized by John the Baptist. John was the representative of all mankind and a descendant of Aaron the High priest. Aaron laid his hands on the head of the scapegoat and passed all the yearly sins of the Israelites onto it on the Day of Atonement. It is a shadow of the good things to come. The baptism of Jesus is the antitype of the laying on of hands. Jesus was baptized in the form of the laying on of hands at the Jordan. So He took away all the sins of the world through His baptism and was crucified to pay for the sins. But most Christians don't know why Jesus was baptized by John the Baptist in the Jordan. Jesus' baptism is the keyword of this book, and the indispensable part of the Gospel of Water and the Spirit. We can be born again only by believing in the baptism of Jesus and His Cross. **One-World Church Rising** Sep 03 2021 One-World Church Rising points a need for discernment among church attendees concerning church doctrines and teachings. There are seven simultaneous developments occurring on the contemporary religious scene that will make this a must-read book and a page-turner for every informed Christian. First, careful examination of many of the Catholic Church teachings that have developed during the past 1,900 years do not square with Scripture. Second, there is the sudden increase in heretical teaching coming from the Vatican that has alienated many cardinals and bishops. Third is the widespread development of liberties theologians are taking to alter the interpretation of the Bible, to dilute its meaning, and to make it reflect what the theologian wants it to reflect. Some offer interpretations that are clearly condemned in the Bible. Fourth is an emerging acceptance of Catholic Church teachings among Protestants that they have been rejected since the Reformation. A number of Protestant preachers have aligned themselves with the Catholic Church, contradicting what they themselves have preached. Fifth, there is increasing emphasis being placed on the shared theological roots between Christians and Islam; all directed toward establishing a common ground between Christendom and Islam. Sixth are the soft solicitations

of the Catholic Church to anti-Christian religions. Finally, and most importantly, is the apparent rise of a deity within the Catholic Church that would replace Christ as redeemer, advocate, and intercessor between God and man. One of the most important trends in the past seventy years has been the evolution of greater emphasis on the Virgin Mary. A new Marian dogma appears to be developing in the Netherlands that may replace Christ as our redeemer, mediator, and advocate. Apart from the world's search from some mystical divine reality, there is powerful political motivation behind this development. Collectively, all of the above point to the emergence of a one-world church as predicted in Revelation 13:1-17.

**Amazing Grace, John 1:17** Dec 18 2022 This is a true story about the salvation found through accepting Jesus Christ as Lord and Savior, the glory of God, and learning the meaning of the Holy Word of God. It is about how I was saved by the Grace of God through His revelation and that the path to eternal salvation is through Jesus. God does not look at our imperfections, but through the perfection of what Jesus has done on Calvary in

love, faith, and hope. This message is to all who are struggling with the events of their lives. We all face unpleasant events in our lives from financial problems, marital issues, and children gone astray, and so on. Jesus teaches us our battles are not flesh and blood but are spiritual. Through prayer, hope, and accepting Jesus into our lives, each one of us will experience our own victories. The divine love God has for us will lead us and guide our hearts and souls into the arms of Jesus Christ. Satan will attempt to confuse us. He will try to divide and conquer us. By accepting Jesus Christ, you will always have an ally in the battle, and in the end, Satan will lose. I pray through my faith in Jesus Christ that you will find the answers to all your struggles. I hope and pray that by sharing my personal experiences, the struggles, and battles that I have faced and I am facing to this day, that it will give comfort to know that there is no depth, no height, and no darkness that can keep you from the destiny of God's call in your life.
